your anaesthetist…

is a Specialist Doctor who provides you with a service independent of that provided by the surgeon or hospital. For your anaesthetic there is a separate fee. You will have an out of pocket cost for your anaesthetic, which needs to be paid prior to your procedure. The out of pocket cost varies between health funds due to the fact health funds reimburse the Specialist different amounts for the same procedure.

Please contact the Anaesthetic Group Ballarat if you have any questions about the contents of this document, any questions about your fee, or you are covered by a health fund that is not listed. Payment can be made at our office, 6 Drummond Street North. Alternatively please complete the credit card section on the last page of this form or attach a cheque.

These fees accurately reflect our current arrangement at the time of printing. However, patients are advised that fees may be subject to change without prior notice.

Your Private Health Fund and Medicare will be invoiced after your procedure to finalise your account. If they advise us your insurance is not sufficient to cover our account a further invoice will be sent to you.

We encourage our patients to be aware of the level of cover their particular policy provides, including waiting periods, exclusions and restrictions.
