### ANAESTHETIC INFORMATION SHEET

Your child is scheduled to undergo dental surgery under general anaesthesia.

Dr Eugene Neo is a specialist paediatric anaesthetist, and will be involved in your child's medical care before, during, and after their dental procedure.

A pre-anaesthetic assessment will be conducted by telephone a day or two prior, in addition to meeting you and your child on the day of surgery, to formulate an anaesthetic plan. Risks of general anaesthesia will also be discussed, and any concerns or questions addressed.

The pre-anaesthetic assessment will include: -

- \* Previous anaesthetics and family history of anaesthetic problems
- \* Past medical history
- \* Adverse drug reactions
- \* Current medications
- \* Recent coughs and colds or illnesses
- \* Plan for pre-anaesthetic fasting

Please feel free to contact me on ph: 0407 522 004 if you have any questions about the anaesthetic itself. I cannot always speak on the phone at short notice, but will certainly do so when free from operating theatre duties.

Dr. Neo has no direct financial interest in any hospital or health insurance products.

### FASTING TIMES PRIOR TO ANAESTHESIA

Adequate fasting prior to any anaesthetic is important to minimise the risk of inhaling gastric contents during the anaesthetic as this may have extremely serious consequences. The fasting guidelines below are adopted from current guidelines at the Royal Melbourne Hospital (adults) and the Royal Children's Hospital (children) where Dr. Neo holds consultant appointments.

Usual medications should be taken as normal with a small amount of water, except treatment of diabetes.

#### **Adults:**

No food or fluids for 6 hours prior to anaesthesia

#### **Children over 6 months of age:**

No food or non-clear fluids (e.g. milk, orange juice) for 6 hours prior to anaesthesia

Clear fluids e.g. water, cordial allowed up to 2 hours prior to anaesthesia

Unless notified otherwise, please assume the start times for your anaesthetic are 8:00 a.m. (morning list) and 1:00 p.m. (afternoon list) as the list order may be changed at short notice.

## FEES

**Dr. Neo's fee for the anaesthetic must be PAID in full 5 days prior to your child's dental procedure. Your theatre booking will only be confirmed once your payment has been received by Dr. Neo's office.**

A. I DO NOT HAVE PRIVATE HEALTH INSURANCE OR I AM IN INSURED WITH NIB, AAMI, QANTAS ASSURE, BUDGET DIRECT, ING <i>These funds don't offer 'Known Gap' or offer limited gap cover</i>
